Subpart A—Introductory Provisions

§ 633.102 Scope and purpose of title IV, section 402 programs.

(a) It is the purpose of title IV, section 402, of the Act to provide job training, employment opportunities, and other services for those individuals who suffer chronic seasonal unemployment and underemployment in the agriculture industry. These conditions have been substantially aggravated by continual advancements in technology and mechanization resulting in displacement and contribute significantly to the Nation's rural employment problem. These factors substantially affect the entire national economy.

(b) Because of farmworker employment and training problems, such programs shall be centrally administered at the national level. Programs and activities supported under this section shall in accordance with section 402(c)(3) of the Act:

(1) Enable farmworkers and their dependents to obtain or retain employment;

(2) Allow participation in other program activities leading to their eventual placement in unsubsidized agricultural or nonagricultural employment;

(3) Allow activities leading to stabilization in agricultural employment; and

(4) Include related assistance and supportive services.

§ 633.103 Format for these regulations.

(a) Regulations promulgated by the Department to implement the provisions of title IV section 402 of the Act are set forth in 20 CFR part 633 and part 636. These parts contain all the regulations under the Act applicable to migrant and other seasonally employed farmworker programs.

The formula used to determine State allocations will be published in the FEDERAL REGISTER for review and comment, along with the rationale for such formula and proposed allocations, no later than 30 days prior to the publication of the final allocations of available funds in the FEDERAL REGISTER.

(2) *Allocation Exceptions.* (i) The Department reserves the right not to allocate any funds for use in a State whose allocation is less than \$120,000.

(ii) Those funds not allocated will be available for technical assistance and special projects funded at the discretion of the Department.

(iii) Current grantees which are unsuccessful applicants for new grant funds shall be given notice that funds will expire and that a reasonable period will be given to phase out their operations. Such notice will not bind the Department to obligate additional funds. The notification of nonselection shall be the notice of termination of funds and departmental closeout requirements are to be followed.

(3) *Allocation Adjustment.* In situations where the Department determines that the formula allocation will result in severe disruption of funding levels from one year to the next, a hold harmless or other factor to minimize such disruption may be used.

(4) *Funding cycle.* Projects will be funded in accordance with a schedule to be specified by the Department in the FEDERAL REGISTER:

(i) Announcement of State planning estimates and an invitation to submit applications for State(s) or area(s) open for competition as provided in the

Solicitation for Grant Application (SGA).

(ii) Deadline for submission of Preapplication for Federal Assistance Forms.

(iii) Deadline for submission of applications.

§ 633.106 Eligibility for allocable funds.

The following organizations and units of government shall be eligible to receive funds under section 402.

(a) A public agency;

(4) Dependents of the above individuals are also eligible.

(b) The 24-month period preceding application for enrollment shall be extended for persons who have been in the armed forces, incarcerated, hospitalized, or physically or mentally disabled. The extended period of time shall be not more than 24 months plus the amount of time the person was in the armed forces, incarcerated, detained at any Federal or State facility, hospitalized, or physically or mentally disabled. Such conditions shall be positively demonstrated by the applicant. This can be done by producing documentary evidence satisfactory to the grantee.

(c) To be eligible for participation, individuals shall meet the requirements of sections 167(a)(5) and 504 of the Act.

(d) A participant in another program or title under JTPA who met the eligibility criteria for section 402 at the time of enrollment into such other program or title may be transferred into, or enrolled concurrently, in the section 402 program. (e) The grantee shall establish the necessary procedures for identifying and selecting participants and for eligibility determination and verification.

(f) The provisions of section 181(k) of the Act are applicable to section 402 programs.

Subpart B—Grant Planning and Application Procedures

§ 633.201 Grant planning and application procedures in general.

Precondition for grant application: The Department will not consider an application for funding from any applicant in cases where it is established that:

(a) The agency's efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful; or

(b) Fraud or criminal activity has been proven to exist within the organization.

§ 633.202 Announcement of State planning estimates and invitation to submit a grant application.

(a) *Announcements.* The Department, through a notice in the FEDERAL REGISTER, will announce State Planning estimates of section 402 funds and will publish an SGA for all areas open to competition. The SGA will contain all information needed by an applicant to apply for funding; i.e., general program description, rating criteria, and dates for submission of applications.

(b) *Intention to apply.* Any eligible applicant intending to apply for funds

shall submit a Preapplication for Federal Assistance to DOL by a specified date as announced in the FEDERAL REGISTER.

(c) Applications for statewide programs are encouraged; however, the Department reserves the right to award grant funds to less than statewide areas.

(d) Executive Order 12372, “Intergovernmental Review of Federal Programs,” and the implementing regulations at 30 CFR part 46 generally apply to this program. Pursuant to these requirements, in States which have established a consultation process expressly covering this program, applications shall be provided to the State for comment. Since States may also participate as competitors for this program, applications shall be submitted to the State upon the deadline for submission to the Department, instead of the usual 30-day period for review.

§ 633.203 Review of funding request.

The SGA will identify all review standards including:

(a) An understanding of the problems of migrant and seasonal farmworkers;

(b) A familiarity with the area to be served;

(c) A previously demonstrated capability to administer effectively a diversified employability development program for migrant and seasonal farmworkers.

(d) General administrative and financial management capability.

(e) Prior performance with respect to financial management, audit and program outcomes.

§ 633.204 Responsibility review.

(a) Prior to final selection as a potential grantee the Department will conduct a review of the available records to determine whether or not the organization has failed any responsibility test. This review is intended to establish overall responsibility to administer Federal funds. With the exceptions of paragraphs (a)(1) and (a)(3) of this section, the failure to meet any one of the tests would not establish that the organization is irresponsible unless the failure is substantial or persistent. The responsibility tests are as follows:

(1) The agency’s efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful, or failure to comply with an approved repayment plan.

(2) Serious administrative deficiencies identified in final findings and determinations—such as failure to maintain a financial management system as required by Federal regulations.

(3) Established fraud or criminal activity within the organization.

(4) Wilful obstruction of the audit process.

(5) Substantial failure to provide services to applicants as agreed to in a current or recent grant or to meet performance standard requirements as provided at § 633.321 of this subpart.

(6) Failure to correct deficiencies brought to the grantees’ attention in writing as a result of monitoring activities, reviews, assessments, etc.

(7) Failure to return a grant closeout package or outstanding advances within 90 days of expiration date or receipt of closeout package, whichever is later, unless an extension has been requested and granted; final billings reflecting serious cost category or total budget cost overrun.

(8) Failure to submit required reports.

(9) Failure to properly report and dispose of government property as instructed by DOL.

(10) Failure to have maintained cost controls resulting in excess cash on hand.

(11) Failure to procure or arrange for audit coverage for any two year period when required by DOL.

(12) Failure to audit a subrecipient within the required period when applicable.

(13) Final disallowed costs in excess of five percent of the grant or contract award.

(14) Failure to establish a mechanism to resolve subrecipient’s audit within established time frames.

(b) This responsibility review is independent of the competitive process. Applicants failing to meet the requirements of this section will not be selected as potential grantees irrespective of their standing in the competition.

§ 633.205 Notification of selection.

(a) Respondents to the SGA which are selected as potential grantees shall be so notified by the Department. The notification shall invite each potential grantee to negotiate the final terms and conditions of the grant, shall establish a reasonable time and place for the negotiation, and shall indicate the State or area to be covered by the grant. Funds may be awarded for two program years.

(b) In the event that no grant applications are received for a specific State or area or that those received are deemed to be unacceptable, or where a grant agreement is not successfully negotiated, the Department may give the Governor first right to submit an acceptable application pursuant to § 633.201. Should the Governor not accept the offer within fifteen days, the Department may then (1) designate another organization or organizations, (2) reopen the area for competitive bidding, or (3) use the funds for national-account activities.

(c) An applicant whose grant application is not selected by the Department to receive section 402 funds shall be notified in writing.

(d) Applicants who submit grant applications which have been rejected may not resubmit a new grant application for the State(s) or area(s) in which they are interested in providing services until the area(s) is announced by the Department as reopened for competition.

(e) Any applicant whose grant application is denied in whole or in part by the Department may request an administrative review as provided in part 636, with respect to whether there is a basis in the record to support the Department's decision. This appeal will not in any way interfere with the Department's designation and funding of another organization to service the area in question during the appeal period. The available remedy under such an appeal will be the right to be designated in the future rather than a retroactive or immediately effective selection status. Therefore, in the event the ALJ rules that the organization should have been selected and the organization continues to meet the requirements of this part, the Department will

select and fund the organization within 90 days of the ALJ's decision unless the end of the 90-day period is within 6 months of the end of the funding period. Any organization selected and/or funded prior to the ALJ's decision will be affected in a manner prescribed by the Department. All parties will agree to the provisions of this paragraph as a condition for funding.

Subpart C—Program Design and Administrative Procedures**§ 633.301 General responsibilities.**

(a) This subpart sets forth the program operation requirements for grantees under section 402, including program and fiscal management, coordination and consultation, allowable activities, participant benefits, and duration of participation. Unless otherwise indicated, grantees shall follow procedures as prescribed in DOL administrative regulations a 41 CFR part 29-70 and OMB Circular A-122.

(3) Providing training only to participants who are legally able to accept gainful employment in the occupation for which training is being provided; and

§ 633.302 Training activities and services.

(a) A grantee may provide assistance to eligible individuals to obtain or retain employment, to participate in other program activities leading to their eventual placement in unsubsidized agricultural or nonagricultural

- (1) Job search assistance, including job clubs;
- (2) Job development;
- (3) Training, such as classroom, on-the-job, work experience, and tryout employment, in jobs skills for which demand exceeds supply;
- (4) Training related and non-training related supportive services, including commuting assistance and financial and personal counseling;
- (5) Relocation assistance; and
- (6) Programs conducted in cooperation with employers or labor organizations to provide early intervention in the event of the disruption of employment opportunities.

(b) Public service employment is not an allowable activity under section 402 programs.

(c) Tryout employment shall conform to section 205(d)(3)(B) and section 141(k) of the Act.

(d) A participant's enrollment in work experience shall not exceed 1,000 hours in a one-year period.

§ 633.303 Allowable costs.

(a) *General.* To be allowable, a cost must be necessary and reasonable for proper and efficient administration of the program, be allocable thereto under these principles, and, except as specifically provided herein, not be a general expense required to carry out the overall responsibilities of the recipient.

(b) Unless otherwise indicated below, direct and indirect costs shall be charged in accordance with 41 CFR part 29-70 and OMB Circular A-122.

(c) Funds may be used for construction activities only to:

(e) Unemployment compensation costs are allowable for administrative and program staff hired in accordance with the administrative provisions of the regulations, and for participants required by State law to be covered for unemployment compensation purposes.

(f) Costs which are billed as a single unit charge do not have to be allocated or prorated among the several cost categories but may be charged entirely to training when the agreement:

- (1) Is for classroom training;
- (2) Is fixed unit price; and

(3) Stipulates that full payment for the full unit price will be made only upon completion of training by a participant and placement of the participant into unsubsidized employment in the occupation trained for and at not less than the wage specified in the agreement.

(g) *Travel costs.* (1) The cost of participant and staff travel necessary for the operation or administration of programs under the Act is allowable as provided herein.

(2) Travel costs of section 402 administrative staff or members of governing boards of grantee organizations are allowable without the prior approval of the Department if the travel specifically relates to programs under section 402. All other travel to be charged to JTPA section 402 grants shall require the prior approval of the Department. These costs shall be charged to administration.

(3) Travel costs of other grantee officials of multifunded programs changed with overall grantee responsibilities are allowable only if costs specifically relate to programs under section 402.

(h) *Association membership.* Grantees are permitted to use grant funds to join those associations which provide technical and administrative services in support of section 402 program efforts. The activities of such associations must be designed to contribute to the enhancement of professional and technical program knowledge. No financial assistance in the form of membership dues or other membership-related costs can involve political or lobbying activities.

(1) The cost shall be for a section 402 grantee's membership rather than an individual person's membership.

(2) The cost of a membership shall be reasonably related to the value of the services or benefits received and shall not exceed \$850 annually.

(3) Association-related costs shall be incorporated in the grantee's section 402 grant budget, charged to the administrative category, and as such, shall be subject to the overall administrative cost ceiling.

(i) *Allowances and reimbursements for board and advisory council members—*(1) *General.* A reasonable allowance to members who attend meetings of any board, council, or committee for section 402 program purposes, and reimbursement of actual expenses connected with those meetings, are allowable costs, and may be paid for attendance at no more than six meeting days per grantee per quarter.

(iii) The grantee shall define which expenses may be reimbursed, whether incurred as the result of actual meeting attendances or in performance of other official duties and responsibilities in connection with the program, and shall establish procedures for the reimbursement of such expenses.

§ 633.304 Section 402 cost allocation.

(a) *General.* Allowable costs for section 402 programs shall be charged against the following four cost categories: Administration; training; training-related supportive services; and nontraining-related supportive services.

(1) Costs are allocable to a particular cost category to the extent that benefits are received by such category.

(2) All grantees are required to plan, control, and report expenditures against the aforementioned cost categories.

(3) All grantees are responsible for ensuring that subgrantees and contractors plan, control, and report expenditures against the aforementioned cost categories.

(b) *Limitation on certain costs.* (1) Costs for administration of the grant

shall not exceed 20 percent of the total amount of the grant.

(2) Costs for nontraining-related supportive services shall not exceed 15 percent of the total amount of the grant.

(c) *Classification of costs by category.* All grant costs shall be charged to the four cost categories listed above. Within each category costs shall be assigned and accounted for as follows:

Administrative costs shall be limited to those necessary to effectively operate the program. These costs include but are not limited to: the salaries and fringe benefits of personnel engaged in executive, fiscal, data collection, personnel, legal, audit, procurement, data processing, communications, maintenance, and similar functions; and related materials, supplies, equipment, office-space costs, and staff training.

(2) Notwithstanding paragraph(d)(1) of this section, where a grantee or subgrantee has an established system, it may compensate its section 402 program employees at existing rates in effect for comparable positions under such merit system. However, in order to use this methodology, the section 402 program employees must be filling types of positions in existence before the grantee or subgrantee received financial assistance under the section 402 program, and the salary scale must not have been changed as a result of such financial assistance.

(e) *Prorating salaries.* Where an individual performs functions under several grants, his or her time shall be prorated among the different grants and the portion of the salary charged to the section 402 grant shall not exceed the percentage of time spent performing section 402 functions.

§ 633.315 Replacement, corrective action, termination.

(a) The Department may replace any grantee who during the grant period has been terminated by first offering the Governor the opportunity to submit an acceptable application. When such an offer is made and should the Governor decline, within 15 days, or should the Governor or his agent have been the terminated grantee, the Department may replace the grantee by (1) designating another organization or organizations, or (2) opening the area for competitive bidding.

(b) The Department may also require appropriate corrective action as a condition of continued funding of a grantee whose performance has been found deficient, but not sufficient to warrant termination for cause or emergency treatment. Such appropriate corrective actions may include but are not limited to termination of subrecipient agreements, development of and compliance with corrective action plans, etc.

(c) In cases where deficiencies are identified and efforts at corrective action have failed, the Department may apply sanctions, e.g., suspension of Letter of Credit, incremental funding, etc.

(d) Termination for cause can occur whenever there is a violation of the governing rules and regulations, failure to comply with the grant terms and conditions and in such cases as:

(ii) Failure to comply with the requirements of the Act related to a grievance procedure and other requirements;

(e) In addition, the Department, by written notice, may terminate a grant in whole or in part in the event of reduction in the funds available for JTPA title IV, section 402 programs by reason of congressional action, whether by authorization, appropriation, deferral, rescission or otherwise, or by reason of other legislative action, such as changes in service deliverers, program content or services to be provided, which makes it impracticable to continue the agreement under its original terms. In the event of a congressional reduction in funds, the reduction shall be apportioned on an equitable basis among section 402 grantees. In the case of termination pursuant to this provision, the Department shall be liable for payment, in accordance with the payment provisions of this agreement, for services rendered and noncancellable obligations properly incurred prior to the effective date of termination.

(f) Notwithstanding the provisions of part 636 the Department may terminate a grantee under emergency termination procedures in accordance with section 164(f) of the Act.

§633.316 Closeout procedures.

Grant closeout will conform to the requirements at 41 CFR part 29-70. As necessary, the Department shall issue supplementary closeout requirements.

§633.317 Reallocation of funds.

(a) In a limited number of circumstances, the Department may reduce a portion of a grant when it can be reasonably projected that the funds will not be used during the grant performance period or that they will not be used for DOL authorized carryover purposes. Such reduction of funds will only be undertaken after 30-days advance notice to the grantee.

(b) Funds recaptured as a result of these grant reductions will be available for technical assistance or special projects funded at the discretion of the Department.

§633.318 Nondiscrimination and non-sectarian activities.

Pursuant to section 167(a) of the Act:

(a) Nondiscrimination and equal opportunity requirements and procedures, including complaint processing and compliance reviews, will be governed by the provisions of 29 CFR parts 31 and 32 and will be administered by the Office of Civil Rights.

§ 633.320 Nepotism.

(b) No subgrantee or employing agency may hire a person in an administrative capacity, staff position or on-the-job training position funded under the Act, if a member of that person's immediate family is engaged in an administrative capacity for the grantee from which that subgrantee or employing agency obtains its funds. To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement shall be followed.

(c) For purposes of this section the term "immediate family" means wife, husband, son, daughter, mother, father, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, stepparent, and stepchild.

§ 633.321 Performance standards for section 402 programs.

(a) The Secretary shall issue performance standards for section 402 programs.

(b) To issue performance standards, the Secretary shall:

(1) Select the measures against which the standards will be set.

(2) Prescribe the pre- and post-program measurement periods.

(3) Determine standards for each of the measures, from which specific grantee standards can be determined in accordance with the parameters established by the Secretary.

(c) No grantee shall be penalized for not meeting performance standards for the program years 1984-1986.

§ 633.322 Sanctions for violation of the Act.

(a) Pursuant to sections 164 (d), (e), (f), (g), and (h) of the Act, the Secretary may impose appropriate sanctions and corrective actions for violations of the Act, regulations, or grant terms and conditions. Additionally, sanctions may include the following:

(1) Offsetting debts, arising from misexpenditure of grant funds, against amounts to which the grantee is or may be entitled under the Act, except as provided in section (e)(1) of the Act. The debt shall be fully satisfied when the Secretary reduces amounts allotted to the grantee by the amount of the misexpenditure; and

(2) Determining the amount of Federal cash maintained by the grantee or its subgrantee or contractor in excess of reasonable grant needs, establishing a debt for the amount of such excessive cash, and charging interest on that debt.

(b) Except for actions under section 164(f) and 167 of the Act, to establish a debt or violation subject to sanction and/or corrective action, the Secretary shall utilize initial and final determination procedures outlined in 20 CFR part 636.

(c) To impose a sanction or corrective action regarding a violation of section 167 of the Act, the Secretary shall utilize the procedures of 29 CFR part 31.

(d) (1) The Secretary shall hold the grantee responsible for all funds under the grant. The grantee shall hold its subgrantees and contractors responsible for JTPA funds received through the grant.

(2) The Secretary shall determine the liability of the grantee for misexpenditures of grant funds in accordance with section 164(e) of the Act, including the requirement that the grantee shall have taken prompt and appropriate corrective actions for misexpenditures by a subgrantee or contractor.

(3) Prompt, appropriate, and aggressive debt collection action to recover any funds misspent by subgrantees or contractors ordinarily shall be considered a part of the corrective action required by section 164(e)(2)(D) of the Act.

(4) In making the determination required by section 164(e)(2) of the Act, the Secretary may determine, based on a request from the grantee, that the grantee may forego certain collection actions against a subgrantee or contractor where that subgrantee or contractor was not at fault with respect to the liability criteria set forth in section 164(e)(2)(A) through section 164(e)(2)(D) of the Act. The Secretary shall consider such requests in assessing whether the grantee's corrective action was appropriate in light of section 164(e)(2)(D) of the Act.

(5) The grantee shall not be released from liability for misspent funds under the determination required by section 164(e) of the Act until the Secretary determines that further collection action, either by the grantee or subgrantee or contractor, would be inappropriate or would prove futile.

(e) Nothing in this section shall preclude the Secretary from imposing a sanction directly against a subgrantee or contractor as authorized in section 164(e)(3) of the Act. In such a case, the Secretary shall inform the grantee of the Secretary's action.
